

## Information Sheet and Application Form

The *Canterbury Vocals Scholarship Fund* was created to provide financial support for young female musicians and help them to achieve their goals and ambitions in music. The fund was established in 2019 using the proceeds from a concert held at Canterbury's Shirley Hall involving female ensembles from the local area.

The primary purpose of the fund is to provide financial support for several young musicians each year. Awards of up to £250 may be made to individual applicants to help fund musical activities such as additional lessons, summer schools, masterclasses and special courses or to assist with the purchase of sheet music in the 2019 - 20 academic year.
